Any word? I'm about to go to lunch and have a 2:00 meeting. The ERT is very anxious about this and our letter is close to signature.

Have you heard from the AG regarding the ERT budget. The EPA approval letter is ready for signature and will likely be in the mail late today or early tomorrow. I'd like to hear from you before the end of the day on the AG's thoughts.

Also, it would be a good idea for us to touch base on the LBT projects. Lots of activity in house on it and another

matter have prevented me from culling through and providing you documentation. Hope to get you something before eob Thursday, when I leave for a four day weekend.

Let me know your availability for a chat mid next week. If I need to speak with you before then, I'll try you on your cell phone.

Thanks.

Flaire Mills
